

CHARTERED ACCOUNTANTS

To The Members of JDM COMMERCIAL PRIVATE LIMITED

Report on Audit of the Standalone Financial Statement

Opinion

We have audited the standalone financial statements of JDM COMMERCIAL PRIVATE LIMITED ("the Company"), which comprise the Balance Sheet as at 31 March 2021, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements"). In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2021, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis on Matters

The Management was able to perform year end physical verification of inventories, March 31, 2021. On account of the COVID-19 related lock-down restrictions, we were not able to physically observe the verification of inventory that was carried out by the Management. Consequently, we have obtained and relied on the signed verification copies received from the Management

Our opinion is not modified in respect of this matter

Key Audit Matters

We have determined that there are no other key audit matters to communicate in our report

Other Information

Kolkata

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

CHARTERED ACCOUNTANTS

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard

Management's Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit / loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act¹⁶, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

CHARTERED ACCOUNTANTS

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty significant doubt on the Company's ability to continue uncertainty exists, we are required to draw attention in financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by section 143 (3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit
 - b. in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
 - c. the Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.

d. in our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act

ANNEXURE-A

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies' Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **JDM COMMERCIAL PRIVATE LIMITED**("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgments, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for my /our audit opinion on the Company's internal financial controls system over financial reporting.

CHARTERED ACCOUNTANTS

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls overfinancial reporting were operating effectively as at March 31, 2021, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the GuidanceNote on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

A. SIGNIFICANT ACCOUNTING POLICIES

Corporate Information:JDM COMMERCIAL PRIVATE LIMITED (the 'Company') is a Private limited company domiciled in India, incorporated under the provisions of the Companies Act, 1956. The Company is engaged in trading activity. The registered office of the company is located at Diamond Heritage, 16 Strand Road, 10th Floor, Room No- 1012, Kolkata-700001. The Standalone Financial Statements were approved and authorized for issue in accordance with the resolution of the board of directors held on 25th June,2021.

- I.Statement of Compliance: The financial statements of the Company have been prepared in accordance with and in compliance, in all material aspects with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued there under. These financial statements for the year ended 31st March, 2021 are the Ind AS compliant financial of the Company.
- II. Basis of Preparation and Presentation: The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015. (as amended) The financial statements have been prepared in accordance with the accounting policies, set out below and were consistently applied to all years presented unless otherwise stated.
- III. Basis of Measurement: These financial statements have been prepared on a historical cost basis, The standalone financial statements are presented in Indian Rupees (₹), which is the Company's functional and presentation currency.
- IV. Use of Estimates and Judgment: The preparation of financial statements in conformity with Ind AS requires Management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Future and actual results could differ due to changes in these estimates. Appropriate revision is made in these estimates considering the change in the surrounding circumstances known to management. Any revision to accounting estimates is recognized in the period in which revision takes places.

Employee Benefits (Estimation of defined benefit obligation where applicable)

Post-employment benefits represent obligation that will be settled in future and require assumptions to project benefit obligations. Post-employment benefits accounting is intended to reflect the recognition of future benefits cost over the employee's approximate service period, based on the terms of plans and the investment and funding decisions made. The accounting requires the company to make assumptions regarding variables such as discount rate, rate of compensation increase and future mortality rates. Changes in these key assumptions can have a significant

JDM COMMERCIAL PRIVATE LIMITED Pochhas Kumes Hold

impact on the defined benefit obligations, funding requirements and benefit costs incurred.

VI. Provision for Contingencies:

Legal proceedings covering a range of matters are pending against the company. due to the uncertainty inherent in such matters, it is often difficult to predict the final outcomes, the cases and claims against the company often raise difficult and complex factual and legal issues that are subject to many uncertainties and complexities, including but not limited to the facts and circumstances of each particular case and claim, the jurisdiction and the differences in applicable law, in the normal course of business, the company consults with legal counsel and certain other experts on matters related to litigations, the company accrues a liability when it is determined that an adverse outcome is probable and the amount of the loss can be reasonably estimated, in the event an adverse outcome is possible or an estimate is not determinable, the matter is disclosed.

VII. Estimation of expected useful lives and residual values of property, plants and equipment

Property, plant and equipment are depreciated at historical cost using straight-line method based on the estimated useful life, taking into account any residual value. The asset's residual value and useful life are based on the Company's best estimates and reviewed, and adjusted if required, at each Balance Sheet date.

VIII. Fair Value Measurements where applicable

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair values are measured using valuation techniques which involve various judgements and assumptions. Judgements include consideration of inputs such as liquidity risk, credit risk and volatility. Changes in the assumption about these factors could affect the reported fair value of financial instruments. Refer Note 30 for further disclosures.

Current versus Non-current Classification

The company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is classified as current when it is:

- expected to be realised or intended to be sold or consumed in normal operating cycle;
- held primarily for the purpose of trading;
- expected to be realised within twelve months after the reporting period; or
- cash or a cash equivalent unless restricted from being exchanged or used to settle a
 liability for at least twelve months after the reporting period, terms of a liability that could,
 at the option of the counterparty, result in its settlement by the issue of
 equity instruments do not affect its classification.

all other assets are classified as non-current.

a liability is current when it is:

expected to be settled in normal operating cycle;

JDM COMMERCIAL PRIVATE LIMITED
Productions Kremae Hacos

JDM COMMERCIAL PRIVATE LIMITED (\$1 & RY)

- held primarily for the purpose of trading;
- due to be settled within twelve months after the reporting period; or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

all other liabilities are classified as non-current.

deferred tax assets and liabilities are classified as non-current assets and liabilities.

the operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents, the company has identified twelve months as its operating cycle.

X. Revenue Recognisation: Revenue is measured based on the considerations specified in a contract with a customer and excludes amounts collected on behalf of third parties. The revenue from sales is recognised when control over a product or service has been transferred and /or products/services are delivered/provided to the customers. The delivery occurs when the product has been shipped or delivered to the specific location as the case may be and the customer has either accepted the products in accordance with contract or the company has sufficient evidence that all the criteria for acceptance has been satisfied. Returns, discounts and rebates collected, if any, are deducted there from sales.

Interest income:

Interest income from debt instruments is recognized using the effective interest rate method. the effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset, when calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses, interest income is included in finance income in the statement of profit and loss.

Dividend income is recognized in profit or loss on the date on which the group's right to receive payment is established.

XI. Plant Property and Equipment: Property, plant and equipment are stated at historical cost less depreciation and impairment losses, if any. Freehold land is not depreciated.

Historical Cost includes the acquisition cost or the cost of construction, including duties and taxes (other than those refundable), expenses directly related to the acquisition of assets and making them operational for their intended use.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal, any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognized.

JDM COMMERCIAL PRIVATE LIMITED
Proposal Alas Kremai Hald

Director

JDM COMMERCIAL PRIVATE LIMITED & RANGE KOLKATA

Director

Depreciation is provided prorate basis on straight line method at the rates determined based on estimated useful lives of tangible assets where applicable, specified in Schedule II to the Act. Intangible Assets are depreciated over the useful life of the asset without any residual value.

XII. Intangible Asset: Intangible assets purchased are measured at cost as of the date of acquisition less accumulated amortization and accumulated impairment, if any Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

XIII. Foreign Currency Transactions and Translations:

Transactions and translations: Foreign-Currency-denominated monetary assets and liabilities are translated into relevant functional currency at exchange rates in effect at the Balance Sheet Date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss.

Transaction gains or losses realized upon settlement of foreign currency transaction are included in determining net profit for the period in which the transaction is settled. Revenue, expenses and cash-flow statement items denominated in foreign currency are translated into the relevant functional currencies using the exchange are in effect on the date of the transaction.

XIV. Inventories: Inventories are valued at cost or net realizable value, whichever is lower, cost being worked out on weighted average basis. Cost includes all charges for bringing the goods to their present location and condition, including octroi and other levies, transit insurance and receiving charges. Net realizable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

XV. Taxes on Income:

Current Income Tax: Current Income tax is measured at the amount expected to be paid to the tax authorities in accordance with Income Tax Act, 1961.

Deferred Tax: Deferred Tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax

JDM COMMERCIAL PRIVATE LIMITED
Passed Kremes Held

JDM COMMERCIAL PRIVATE LIMITED
KKH KESS U Gal /2

KOLKATA

credits and unused tax losses can be utilized. The tax rates and tax laws used to compute the tax are those that are enacted or substantively enacted at the reporting date. Current income tax/deferred tax relating to items recognized directly in equity is recognized in equity and not in the Statement of Profit and Loss.

XVI. **Employee** Benefit Expenses:

Short Term Employee Benefits:

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognized as an expense during the period when the employees render the services.

XVII. **Borrowing Costs:**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset, all other borrowing costs are expensed in the period in which they occur, borrowing costs consist of interest and other costs that the company incurs in connection with the borrowing of funds. borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

XVIII. Provision and Contingencies:

Provision: Provisions are recognized when there is a present obligation (legal or constructive) as a result of past event, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made.

Contingencies: Contingent liabilities exist when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required or the amount cannot be reliably estimated. Contingent liabilities are appropriately disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

JDM COMMERCIAL PRIVATE LIMITED

XIX. Financial Instruments:

Recognition and initial instrument:

Trade receivables are initially recognized when they are originated. All other financial assets and liabilities are initially recognized when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

Classification and subsequent measurement:

Financial assets:

On initial recognition, a financial asset is classified as measured at

- amortized cost;
- Fair Value through Other Comprehensive income (FVOCI) equity investment; or
- **FVTPL**

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the company changes its business model for managing financial assets.

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

- The asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both the following conditions and is not designated as at FVTPL:

- The asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets;
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

mables Kiemai Halar

JDM COMMERCIAL PRIVATE LIMITED

COS U GUIN Director

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis.

XX. Financial assets: Subsequent measurement and gains and losses:

Financial assets at FVTPL: these assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognized in profit or loss.

Financial assets at amortized cost:these assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in profit or loss. Any gain or loss on derecognition is recognized in profit or loss.

Equity investments at **FVOCI**:These assets are subsequently measured at fair value. Dividends are recognized as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognized in OCI and are not reclassified to profit or loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held- for- trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and Losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

Derecognition:

Financial assets:

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

JOM COMMERCIAL PRIVATE LIMITED
Tocholar Kreman Halar

Director

JDM COMMERCIAL PRIVATE LIMITED

Director

GEN & RAL

Financial liabilities:

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire. The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

Impairment of financial instruments:

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets measured at amortized cost. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

XXI. Impairment:

Non-financial assets: Property, plant and equipment and intangible assets Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the Statement of Profit and Loss
